STATEMENT

GALAXY 1 COMMUNICATIONS is a small independently owned and operated company that offers satellite equipment and resells mobile satellite communications service. It has six (6) employees. It does not use CPNI to market telecommunications services to customers that are outside of the category of service to which it currently subscribes and does not share CPNI with affiliates or third parties for their use in marketing services to its customers. Consequently, it is not required to and does not maintain either an "opt-in" or "opt-out" system with respect to CPNI.

GALAXY 1 COMMUNICATIONS has procedures that maintain the security of CPNI of its customers. For example, all CPNI is maintained on a secure database. GALAXY 1 COMMUNICATIONS requires passwords to access CPNI on all levels. GALAXY 1 COMMUNICATIONS's employees will discuss account information only after a customer has presented unique identifying information (for example, GALAXY 1 COMMUNICATIONS's employee request the serial number of the terminal) establishing that the requesting party is, in fact, the subscriber whose records are requested. GALAXY 1 COMMUNICATIONS's customers do not have the ability to access account information in-person. On-line billing is only accessible with a user name and unique password.
